Dear Parents,

Hello to all of you! We hope that you have had a good summer holiday spending time with your children and loved ones. Now that the leisurely vacation is over, let’s begin a new school year together by fostering good habits to maximize your child’s potentials.

Our teachers and I are enthusiastic for the students to return. An orientation day was held last Saturday to welcome all new students and their parents to join our “TSL” big family. We will continue to strive for a better learning environment and a good balance between academic and non-academic curriculum for our students.

“A Happy Life. 快樂活著” is this year’s school theme which echoes last year’s “Love to learn. Learn to love.” Happiness is a choice. Happiness comes from our hearts. We are going to instill the elements of “happiness” into our curricular design, aiming to create a very positive and productive spirit at the school. We look forward to working with all staff, parents and students in the coming year to achieve this objective.

Do remember to browse through our School webpage every now and then for updated school news and activities. We have just uploaded the nice photos of the Shanghai study tour in August. Please share our joys. We would also like to take this opportunity to express our heartfelt thanks to those parents and students who actively participated in the PLK Flag Day on 25 August. Let’s join hands to learn, lead and enjoy “A Happy Life. 快樂活著”. We can certainly make another great year for TSL.

May we wish all Camõesians enjoy their study here everyday!

Yours sincerely,
