

A Big Thank-you for Designing Love Cards for Medical Staff

Dear Parents & Students,

We would like to express our sincere appreciation to our students who recently participated in designing some beautiful “Thank-you Cards” to show our gratitude to all the medical staff in Hong Kong for their hard work in fighting the covid-19 pandemic.

It was particularly touching when our alumni, Mr Wesley Au Yeung (a doctor at Yan Chai Hospital), and Mr Brian Leung and Ms Jackie Chan (a doctor & a nurse respectively at Pok Oi Hospital) returned to their alma mater recently. When presented with about 150 love cards, they were surprised at such wonderful gifts by our junior Camõesians. They told us that these cards would be displayed in their hospitals to share with other medical staff.
