

各位親愛的陳守仁家長：

暑假總算是開始了半個月，但願大家身心康健，活力充沛。

在這個不尋常的暑期，學校團隊一早已展開新學年的部署。由於疫情比較不樂觀，九月開課時可能有不一樣的安排。這可能包括半日上課、部份班級復課、以及網上教學，相信大家也有之前的經驗，不會陌生。當然，為切合實際需要，我們會加以調適，在適當時候，我們會以電子通告形式知會大家相關注意事項及種種安排。

暑假本來是外遊的好日子，奈何因應疫情，居家時間很長；然而此刻也是親子好時光，與孩子們一同遊戲，一同閱讀，增進親子關係之餘，更能培養抗逆能力，善用時間。

「任何一天，任何一刻，也可以是新的開始」是我們第三本以學校生活為題創作的書，而這本新書更是一本手帳書，現正付印中，宣傳工作快將開始，大家拭目以待！此外，泳池新大樓工程進度良好，我們都十分期待新泳池的落成，校園設施將更加齊備。

未來日子充滿挑戰，一如既往，我們將仍以樂觀正面之心態，邁步向前！

Dear Parents,

The school summer vacation has started for about half a month. I wish all of you good health and full of energy!

It is an abnormal summer holiday. Our team of school staff has started to make preparation for next school year. Due to the pessimistic situation of COVID-19 pandemic, there will probably be unusual arrangements for the new school year in September. These may include half-day school, school resumption for partial class levels, on-line teaching - these are not new things as we have experienced these situations recently. Of course, we will fine-tune the arrangements to meet practical needs. We will notify you of all the arrangements and any issues of your concerns via our electronic circulars in due course.

Summer holidays should be an ideal time for travelling. However, we have to stay at home for a long time due to the pandemic. Yet, it is also a good parent-child family time by playing games and reading together. Apart from enriching parent-child relation, it can also help building resilience as well. Please make good use of the time.

“Every moment is a fresh beginning.” - the third book of TSL which features our school life. This is a Journal Book which is under printing. Promotion will begin soon - please keep in view of it. Moreover, the re-provisioning of the swimming pool is in good progress. We all look forward to the completion of a new pool, making our school facilities more well-equipped.

It will be full of challenges ahead. Same as in previous years, let's have a positive attitude to face it and move forward!

Yours sincerely,

Principal Derek Yeung
