Letter to Parents

Dear Parents,

Happy New Year! We hope you and your children have had a wonderful festive holiday and are now back to normal routines in your everyday lives.

As the 2nd term begins, it is imperative to foster your children's interests and enthusiasm in their studies. We will continue to incorporate this academic year's theme "*Love to Learn! Learn to Love!*" into the upcoming events including Sports Day, Chinese Day, language weeks, Open Day and Annual Concert. Let's love one another with a smile, a kind word, and a helping hand.

We are glad to inform you that the newly-furnished E-Learning Centre is ready for use now - one of our endeavors to create an inviting environment to enhance teaching and learning. On the other hand, do browse our webpage which is enriched and updated from time to time, and you will get glimpses of the fascinating school life your children are enjoying in TSL.

For the past term we have been very grateful for the contribution by parent volunteers. Without their help, many things would not have been accomplished so successfully. While our teachers and support staff are doing a terrific job, your continual support is highly appreciated.

Lastly, as you are aware, pandemic influenza and H1N1 human swine influenza are entering the peak season this winter. You are advised to pay special attention to your children's health, and help them to maintain a healthy lifestyle and good personal hygiene. Thank you for your cooperation!

Wishing you all a happy, healthy & prosperous 2010!

Yours sincerely,
