Speech by PTA Chairperson, Ms Joanne Cheung

at 2008-09 AGM held on 4.11.2008

Good evening Dr. Hong, Mr. Yeung, parents and teachers!

It is a pleasure to be here this evening and to share with you, even a short time, about the approach the new PTA will be taking for the coming years.

Educating children has always been imperative to prepare our children to inherit the world, but it is not just the job of the school. PTA, to a large extent, is a close partner of the school to support its education goal. The aim of TSL is to nurture the whole child in all aspects of development. To support this aim, PTA will focus on arranging activities and seminars that raise students’ sense of moral and social responsibility, helping them to realize their full potential and their responsibility towards the community in which they live.

PTA is not only a partner of the school, it also serves as an important platform to provide two-way communication between the school and parents. By saying this, PTA will continue to evaluate the current communication channels on their effectiveness, striving to further increase and improve the communication network, facilitating a better learning environment. Parents, I would like to emphasize that your willingness to take an active part in PTA activities is a vital component of our future success.

I am grateful to you all for giving me the privilege to serve you as Chairman. On behalf of the PTA, I would like to thank the 5th PTA Committee for their contributions over the past year. I would also like to express my sincere thanks to Mr. Yeung, dedicated teachers, enthusiastic parents for your unfailing support over the years.

Last but not least, this school year is a celebration of the 10th anniversary for TSL. I take this opportunity to wish TSL all the very best, making a difference and flying to new heights in the years to come.

Thank you.
