Dear Parents,

How are you? It has been two months since the start of the new school year in September. Let’s recap what we have experienced so far.

For the 2014-15 Primary One Admission, our teachers met about 6,000 applicants for the 1st interviews and 700 applicants for the 2nd interviews on 28-29 September and 26 October respectively. Individual parent-sharing sessions will be held from 9 November onwards, during which we hope that parents of prospective students would understand more about our school and vice versa. Past experiences tell us that parents’ support and trust are imperative for the smooth school operation and the better nurturing of our students in both good and difficult times.

Multicultural Day
The first term test ended on 29 October. Multicultural Day was organized the following day, with the participation of more than 700 parents. I would like to take this opportunity to thank all our teachers and those parents who have made concerted efforts to make the event a success. We really want to nurture each kid to love and respect each other. We hope they will enjoy studying and “Live in Harmony” under the multicultural environment here at TSL.

Ikeda & TSL students

Today, we warmly welcomed the Principal, 5 teachers and 29 students of our sister school, Ikeda Elementary School from Japan. We would continue to provide more authentic learning environment for our kids to widen their horizon.

Lastly, we are organizing a series of parents talks by Mrs Josephine Ling on “How To Be A Hero To Your Kids” 「6A 的力量」. Please do come and join us. I am sure you will get something from the talks.

Best regards,

Principal Derek Yeung
