Remarks:

1. Due to the large changes in the number of students riding the school bus at the beginning of the new academic year, the company may make any adjustment on school bus service information.
2. To ensure the safety of students and avoid affecting the time of departure of other students, parents should arrive at the drop-off point on time to pick up the students. Otherwise, the students will be sent back to the school. Parents must come to school to pick up the students.
3. About transferring route, changing station and withdrawal, please notify us in writing in advance by one month.

I have read the application form and attached the "Application for School Bus Service Notice" to understand and agree to abide by the relevant rules.
